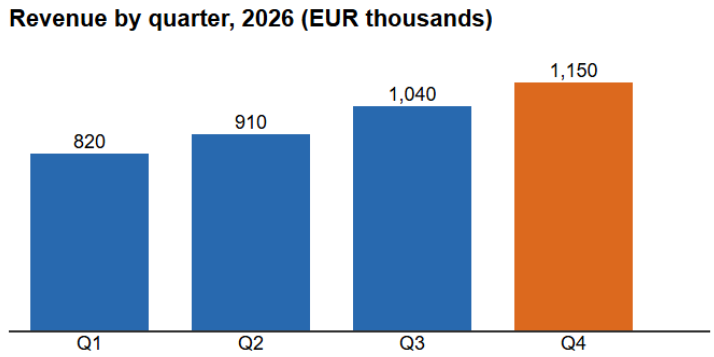
Annual report 2026

Example Trading Ltd closed 2026 with revenue of EUR 3.92 million, up 18% on 2025. Every quarter grew on the one before it, and the fourth quarter was the strongest in the company's history.

Revenue by quarter



Revenue by region

Region	2025	2026
Europe	1,880	2,210
Americas	980	1,160
Asia Pacific	460	550

Outlook

The board expects revenue to grow again in 2027, led by the new online store and the warehouse opened in Rotterdam in November.
