When you nurture and inspire your team, you give them the confidence to do their jobs well. You want to provide guidance and motivation while showing integrity and modeling the behaviors you want to see in your team. Learn what you need to enhance your skills and transform into a great leader. At its core, leadership means setting goals, lighting a path, and persuading others to follow. Leaders must get their message out in a way that inspires, make the most of their limited time, and build roads to precious resources. Learn to craft and deliver your message, to clearly communicate to your audience. They must negotiate alliances, improve their colleagues, and align the ambitions. By accepting the challenge to lead, you come to realize that the only limits are those you place on yourself.
