FULL SPECIFICATION

LAYOUT

FORWARD CABIN / SALOON

The forward cabin of the Viking 32cc offers accommodation for four easily with a minimum headroom of 6'02". The forward cabin is laid out with a V bed forward with an infill to make this into a good sized double berth. To port aft of the bulkhead and cabin door the dinette is located with forward and aft facing seats which feature extendable sections to make this a double berth or to seat four around the table. Opposite and to starboard is the galley with storage beneath the worktops. The sink and hob is a combined unit with a flush fitting fold down glass cover. Aft of the galley the toilet room has a cassette flush toilet, shower and foldaway sink.

AFT CABIN

The major benefit of the 32cc is the accommodation after which comprises of a double berth with an en suite toilet which together are a rarity in a craft of this size

COCKPIT

The cockpit features the helm to port with steering via a cable to the outboard, single lever engine controls and ancillary switches. A single pedestal helm seat is to port with further seating surrounding this. Access to the decks is via steps.

EXTERIOR

The Viking 32cc is fully hand moulded featuring a gel coat exterior strengthened by chopped strand matt. All exterior fittings are in stainless steel and the boat has side decks of approximately 4" in width, sturdy handrails are located on the cabin top and the bow is surrounded by a stainless steel pulpit. The 32cc is a rare craft in offering navigation to all UK inland water due to her design beam of 6'10". The size of the craft also allows for her to fit a trailer and be located on any inland UK waterway via a slipway.

OPTIONS

The Hi Line specification of a Viking includes; Oven and grill, hot and cold water, shower and fold down sink, cassette flush toilet and antifouling. It is to
