DESCRIPTION

The Maxima 485 an entry model, but not in terms of performance!

A straight stern with an oversized hull are characteristic of this boat. A lot of attention has also been paid to the seating comfort. The boat is suitable for fast sailing.

The maximum engine for this boat is 40 hp. With this engine you can use this boat even for water-skiing or wake boarding.

An all-round boat for the whole family!

Please note: Pictures for illustration purposes only

Supplied and sold through D & R Engineering LTD
